

## **Voice and Presence in Acting**

### **Three-night workshop with Marie Vallée**

Through specific vocal, breathing and centering exercises, participants learn to give up habits of controlling and discover instead a profound place of listening, presence and allowing; a more embodied, open, and honest connection to their voice, their creativity and their capacity to play.

February 13-20-27, 2017

7 pm to 9 pm

4750, avenue Henri-Julien, studio 1606, Montreal

**For more information and to register : [info@marievallee.com](mailto:info@marievallee.com)
